Minnesota Network of Hospice & Palliative Care is collaborating with Corridor Group to provide a 2 day in-person Hospice Nuts and Bolts educational presentation for hospice providers in the region.

Hospice Nuts and Bolts offers targeted training to hospice staff including hospice managers and supervisors and all clinical staff to improve their mastery of, not just familiarity with, the essential skills of a compliant hospice organization.

As one of three exclusive sponsors of this event you will receive:

- An exhibit table set up for the duration of the event
- Signage during the event
- Co-marketing on print and digital materials
- Time before, after, and during breaks for attendees to connect, in-person, with the sponsors
- Complimentary Allied Organization and Business Partner Membership with MNHPC for 2023

*exclusions may apply
