

08**PUBLIC
POLICY****FUNCTION**

This committee is responsible for reviewing legislation, rules and regulations relating to end-of-life issues on a state and federal level. The committee recommends positions and policy to the Board of Directors.

RESPONSIBILITIES

Develop MNHPC yearly legislative agenda for board approval
Participate in meetings with policymakers
Organize grassroots lobbying efforts
Track trends in licensure and Medicare survey problems and issues
Assist in planning educational programs and workshops on regulatory and reimbursement issues
