Ensure your team is creating an accurate, consistent narrative that supports hospice eligibility. Join us to learn the ins and outs of documentation, time saving tips, and hot spots.

AFTER THIS WEBINAR YOU'LL BE ABLE TO:

- Identify who is reading your documentation
- Understand documentation regulations
- Document eligibility and symptom management throughout the benefit periods
- Create documentation best practices for MSWs and chaplains
- Establish at least two time-saving tips for documentation

WEBINAR DETAILS

Hospices are facing increased scrutiny regarding eligibility documentation. This webinar will delve into hospice documentation requirements and explain how to strengthen documentation and avoid costly denials. It will also review the necessary documentation for each level of care, symptom management, and routine visit notes. It will address the Local Coverage Determination (LCD) and how notes from every discipline must support the LCD, including documentation from MSWs and chaplains.

THIS WEBINAR WILL BENEFIT THE FOLLOWING AGENCIES:

- Hospice

WHO SHOULD ATTEND?

This informative session is designed for hospice administrators, directors, clinical managers, quality assurance staff, nurses, MSWs, and chaplains.

TAKE-AWAY TOOLKIT

- Hospice eligibility documentation checklist
- PDF of slides and speaker's contact info for follow-up questions

- Attendance certificate provided, however there are no pre-approved CEs associated with this webinar

NOTE: All materials are subject to copyright. Transmission, retransmission, or republishing of any webinar to other institutions or those not employed by your agency is prohibited. Print materials may be copied for eligible participants only.
