

## 2021 COMMITTEES AT A GLANCE

### DEVELOPMENT + MARKETING

The Development and Marketing Committee provides oversight and guidance for all aspects of the organization's fundraising and marketing activities. The Development and Marketing Committee will consist of board members, community members and staff liaisons.

### EDUCATION + TRAINING

The Education and Training Committee identifies educational knowledge and practice gaps as articulated by hospice & palliative care professionals and assists with the planning, guidance and oversight of educational content provided throughout the year to address these needs.

### FINANCE + AUDIT

This committee is empowered to study and make recommendations regarding all financial procedures, controls, activities and planning.

### HOSPICE + PALLIATIVE CARE PHYSICIANS

This committee meets quarterly to share best practices, discuss regulatory issues, review specific medical concerns that have emerged and when possible, work together on creating solutions to complex regulatory issues and processes.

### MEMBERSHIP

This committee develops a vital and an engaged membership that supports the mission of MNHPC financially and through active participation in organization activities.

### NOMINATING

This committee presents a slate of Board Member nominees and develops a slate of officers to recommend to the Board of Directors.

### PALLIATIVE CARE

This committee develops a vital and engaged palliative care group that supports the mission of MNHPC and effectively advances palliative care in Minnesota.

### PUBLIC POLICY

This committee is responsible for reviewing legislation, rules and regulations relating to end-of-life issues on a state and federal level. The committee recommends positions and policy to the Board of Directors.

### STANDARDS OF PRACTICE

This committee promotes the use of "Best Practices" and Standards of Practice for delivery of hospice and end of life care in all care settings.
