

Are you passionate about end of life care? Interested in spending more time with your patients? Do you desire work-life balance? Would you like a manageable caseload centered in your community?

Minnesota Hospice is a growing community-based hospice organization with dedicated professionals specializing in end of life care; serving communities in the south metro. Our culture of personal empowerment and extraordinary compassion equates to the highest quality of patient and family care. It is our mission to be known as “The Gold Standard of Care” for our patients and their families throughout their end of life journey.

As a **Director of Nursing** with Minnesota Hospice your primary objective is to provide exceptional patient care. This is accomplished by maintaining a small patient load while mentoring a team of hospice professionals.

Job Duties:

- Provide the best patient care.
- Supervise and support the hospice interdisciplinary team members.
- Provide leadership in developing and motivating the hospice team.
- Ensure that Minnesota Hospice policies and procedures are implemented and consistently followed.

Job Requirements:

- Currently licensed as a Registered Nurse with the State of Minnesota.
- Hospice or long-term care experience in a supervisory role.
- Current BLS certification.

Benefits:

- Competitive compensation
- Generous PTO
- Complete benefit package

Please apply by sending your cover letter and resume to shannon.sherman@mnhospice.com.
